

Fallen Angel

Fallen Angel is a famous oil painting. The painting was inspired by **John Milton's poem Paradise Lost** (1667) about the Devil's defiance of God. It also references the War in Heaven found in the Book of Revelation in the Bible. At first, when I read in class **X** I saw this painting in my friend gallery. It just takes my attention. I asked him about this painting. He described it to me many Christians believe that the Devil was once a beautiful angel named Lucifer being cast out of Heaven by God. The tears running from his eyes symbolize his damaged pride which ultimately led to him seeking powers that exceeded those of God. He also feels regret at having been banished from those who continue to fly above. For this, we can see in the photo that the Angel is crying. He was fall out from Heaven. So, this just make me sensitive about the Creator of the world can give punishment anyone anytime. It just blows my mind that a simple mistake can destroy my whole life and character. I have to try my best to be loyal in every single moment. Also it is used in many anime and cartoon show which gives me a pleasure. So, this the reasons why Fallen Angel become my favorite painting than others.
