Fallen Angel

❖ Who was the painter of Fallen Angel?

Alexandre Cabanel

The painting was inspired by John Milton's poem **Paradise Lost (1667)** about the Devil's defiance of **God**. It also references the War in Heaven found in the Book of Revelation in the Bible

I see this Painting Four years ago(2019)

Why its your favourite?

Many Christians believe that the Devil was once a beautiful angel named Lucifer being cast out of Heaven by God. The tears running from his eyes symbolise his damaged pride which ultimately led to him seeking powers that exceeded those of God. He also feels regret at having been banished from those who continue to fly above. For this, we can see in this photo that the Angel is crying.
